6. Please identify any problems or changes in your training project that will affect the budget, scope or timeline of the project.

DOL has extended the grant period of performance through December 31, 2009 via amendment entered by DOL and Tlingit-Haida Regional Housing Authority's (THRHA) dated July 10, 2009.

Alaska Works Partnership will continue to work with THRHA based on availability of trainers. THRHA will utilize additional qualified instructors for the training by working with AHFC, the University of Alaska Southeast and/or other training agencies throughout the grant period.

The program is in line with the grant budget and is anticipated to be completely absorbed by the end of the extended grant period December 31, 2009.

7. How are you or will you be evaluating the individuals being trained to ensure competency, skill level and understanding? (Testing, assessment, etc)

Trainees receive course completion certificates upon completion of DTF training. Trainees possess skills and knowledge that is portable to other Wx agencies performing Home

Weatherization. Completion of training and competency of work performed following training has resulted in trainee employment.

8. Please identify areas that we can assist you in the future.

Thank you
